The Bangkok Gems & Jewelry Fair is Asia's leading trade show for the jewelry industry, providing an outstanding platform for Thai and international jewelry designers and manufacturers to display their latest creations. Organized and managed by the Department of International Trade Promotion (DITP), the BGJF's 60th edition was a great success, attracting participation from a great many international buyers and exhibitors.

Since 2017, the import duty of all gems and jewelry in Thailand has been permanently exempted. Therefore, all the exhibitors can now enjoy duty-free status. BGJF was among the first gems and jewelry fair that highlighted segmented products in the emerging niche market. It also served as a platform to showcase local talents from reputed gems district. For the 61st edition, DITP plans to enhance the experience and convenience to exhibitors and visitors even further, as we anticipate more participants in February 2018

Bangkok is not only the renowned center for Asia's gems and jewelry business, it is also an exciting city that is readily accessible by air, offers wonderful accommodation, culture, cuisine and hospitality. And it offers great value for money. Please fill out this application form to enjoy the many benefits of participating in the 61st Bangkok Gems & Jewelry Fair.
